Dear Bob,

On behalf of the National Industries for the Blind Board of Directors and leadership team, congratulations on your agency's recognition of achievement under the Employment Retention/Growth/Upward Mobility Reward Program.

Your agency is being honored for its accomplishments in fiscal year 2010 in retaining or increasing employment for people who are blind working on AbilityOne contracts and/or for its achievements in the areas of placement and upward mobility.

As a recipient of the Employment Retention/Growth/Upward Mobility Reward Program award, your agency provides a wonderful example of how our common mission to enable more people who are blind to achieve economic and personal independence is succeeding.

Enclosed please find your reward check in the amount of \$5,796. The NIB Board funds this program on a year-to-year basis in the hope that agencies receiving these funds will reinvest them in new initiatives to create, sustain and improve career opportunities for people who are blind.

All of us at National Industries for the Blind look forward to working with you to reach even greater heights in the years ahead.

Best Regards,
