## OUR FOCUS IS YOUR VISION

70% of all blind and visually impaired people are unemployed. North Central Sight Services, Inc. is changing this statistic. Our goal this year is to **"Place 20 in 20."** Place 20 individuals who are blind or visually impaired in part-time or full-time employment. It costs \$2000 to locate, evaluate, and train an individual. Through your support, NCSS can reach and exceed their goal!

Through your support, NCSS has raised over \$100,000 in the past few years that was used towards our Assistive Technology Program that helps those who are visually impaired live a more independent life! Thank you!!
